A↑G **G**

32" Full HD professional large format display with USB media playback

Set in a slim bezel, the iiyama LE3241S is a professional digital signage display offering 18/7 operating time and landscape orientation.

This Full HD and fanless IPS display guarantees great viewing from all angles, high brightness and exceptional colour clarity. With the built-in media player you can play your favourite music and show your most beautiful videos, photos and images directly on screen.

Media player

Play your favourite music and show your most beautiful videos, photos and images directly on screen from a flash drive or internal memory with the built-in media player.

LAN Control

LAN control enables making adjustments in the display OSD menu through your network (software not included).
