

Double column electric floor lift on wheels for monitors up to 98"

An anti-collision electric trolley for large format displays up to VESA 800x600mm. This product is unique because of its screen flexibility and installation ease, within just five steps the product is installed and ready for use in any meeting area.

This mobile stand with electrical 950mm height adjustment provides a continuous and silent adjustment, controlled directly from a compatible iiyama TE SERIES display or with the attached control pad. The 4-inch muting castor omni directional wheels make it easy and save to move the car around. The integrated screen bracket supports most VESA patterns, making this floor lift suitable for every display up to 98" with a max. weight of 120kg.

*To mount a 105" display you need the additional mounting kit [MD-ADAP001](#)
