

UNIFIED COMMUNICATIONS**INFORMATION****Compact Full HD webcam with
privacy shutter**

Both at home and in the office, the UC CAM75FS ensures you can enjoy all the benefits of video meetings. The integrated two microphone array detects audio from up to 4 metres away delivering high quality sound with no annoying background noise or distortion.

It supports all the leading conferencing software like Zoom, Skype, Microsoft Teams, and the simple yet effective privacy shutter guarantees the camera can only see you when you want it to.

77° field of view

The field of view means the viewable area one can see through the camera lens. It translates directly to how much of your meeting space will be visible to the participants joining remotely. A below 80 degrees field of view is a perfect choice for your desktop set-up.

2D & 3D Digital Noise Reduction

Delivering high image quality, these two image denoising technologies combined ensure crisp and clear visuals for video and photos, even in low light conditions.

Clear, crisp and natural audio

Featuring an advanced noise reduction algorithm, the integrated 2-element mic array detects audio from up to 4 metres away, delivering high quality audio free from any annoying background noise or distortion.

Privacy shutter

A manual switch shutter is one you can easily slide closed to ensure your camera can only see you when you want it to.

SPECIFICATION

01 CAMERA

Pixels	2M
Native resolution	Full HD 1080p
Supported resolutions	1080p/30fps, 720p/30fps, 576p/30fps
Diagonal field of view (dFoV)	77°
Focus mode	fixed
Focus distance	1m
Aperture	2

02 AUDIO

Number of microphone arrays	2
Voice pickup distance	4m
Voice pickup angle	180°

03 CONNECTIVITY

Camera USB Type-C

04 SUSTAINABILITY

Regulations CE, RoHS support, ErP, WEEE, REACH

05 DIMENSIONS / WEIGHT

Product dimensions W x H x D	80 x 69.5 x 38mm
Box dimensions W x H x D	96 x 71 x 56mm
Weight (without box)	0,05kg
Weight (with box)	0.1kg
EAN code	4948570032990
